## Welcome to ACT JeepTrAction

ACT JeepTrAction started life as a way of enjoying Jeep ownership between a few local Jeep owners. There were no elected officials or committees, no AGMs, no treasurers. This was simply a group of like-minded individuals whose sole interest was using their Jeeps in the company of others.

Over a short period of time interest had grown and the idea of forming a club was explored. Today, ACT JeepTrAction is a fully functioning not for profit organisation. Its structure allows the club to remain flexible and to ensure we are always working in our members best **interest.**

### Focus:

The club is aimed at the beginner to intermediate level. We cater for the needs of those new to Jeep or 4-Wheel Drive ownership by helping with access to professional advice, tuition and support. We are a small club and as a result members are encouraged to contribute to the running of the club. The clubs resources are available to all members to assist them in the organisation of trips and other social events.

### Attitude:

The club encourages safe and responsible attitudes to off road driving and exerts no pressure on members to tackle obstacles they do not feel comfortable with. Help and advice is available at every step of the way. Members also arrange numerous social events, demonstrating the club is more than just about the vehicles, it's about the people as well.

### Links:

The club works hard to forge links with local dealerships, suppliers, instruction centres and other 4wd clubs. We are well regarded within the 4x4 industry and have access to private off-road sites not normally available to members of the public.

### General Meetings:

ACT JeepTrAction meet on a regular basis to discuss club activities and general matters. The General Meetings are usually held on the second Monday of each month (except March) at various locations. To find out the details for the next General Meeting, please contact the Secretary .

### Annual General Meetings:

ACT JeepTrAction holds the Annual General Meeting annually in March. The AGM is held in lieu of the March General Meeting. To find out the details for the next AGM, please contact the Secretary.
